Property Consultants

Martin Property Consultants was set up in 2016 by Micheal Martin. After working for over ten years in one of Dublin's largest Lettings and Property Management firms, Micheal created MPC with a view to providing a more all-inclusive property service to investors in the rental market.

From sourcing properties at yields specific to each client's requirement, to fit outs, maintenance, rent collection and full letting/management, Micheal Martin has unrivalled success in providing a tailored made service to property investors.
