

Ocean Property Management offers a fresh and innovative approach to property management and lettings in Galway based on excellent customer service, personal client relationships, and a meticulous attention to detail. Our multi-disciplinary team of experienced property, administrative and financial management professionals ensures that all your property needs are expertly catered for.

As a fully licensed company with the Property Services Regulatory Authority, we cover every aspect of property service including Block and Estate Management, Property Lettings and Management, Student Residence Management, Holiday Lettings and Sales. We have an in-depth knowledge of the Galway property market allowing us to offer a professional and individually focused service to each and every client.

We are a modern and forward-looking organisation that embraces and adapts to change and harnesses the latest technology and CRM systems to provide our clients with a more customer friendly experience. We have a proven track record and we take pride in our work. Ocean Property Management's goal is to be a market leader in the West of Ireland, working with determination to offer a premium service to our clients with the highest integrity guaranteed in every area we operate in.

Ocean Property Management understands the need for a professional managing agent who will look after a property in a trouble free, cost efficient manner. Our mission is to ensure our customers know that their needs are being expertly managed and that the long-term value of their investment is protected. You can be sure of a direct hands-on approach and the highest quality performance for daily management issues. Our maintenance team supported by our own service vehicle allows us to address issues on a proactive, on-the-ground basis which contributes to cost effective and efficient property management. Our core principles of providing excellent customer service, expert financial management, and strong business ethics has proven to be very successful in building long term relationships with property owners.
