

M&C Property is trading since January 2009, however many of our core staff are working in the property sector since 2000. We, at M&C Property, have a team of property management specialists who bring a wealth of experience to each project. We bring a broad range of expertise, knowledge and understanding that enable us to fulfil our clients' requirements. From our three offices located in Limerick, Galway & Athlone; M&C Property is equipped to provide property services to all areas nationally. We have a wide network that allows us to operate efficiently throughout a wide geographical spread.

We are committed to ensuring our clients' properties are maintained to a high standard, protecting their value. M&C Property have a strong background in the provision of practical property services. Ours is a proactive approach to rent collection. We will closely monitor the properties to ensure that all obligations are met in a cost effective and timely manner. We pride ourselves on our tenant selection process which we believe is the most important element of residential letting. Our thorough vetting process ensures that tenants are selected based on their track record thus our clients are getting the best tenants in the market suited to their property. This provides protection of their asset and secures their rental income.

At M&C Property, we look forward to providing high level property services to ITC clients.
